

ABE MASTER TEACHER FELLOWSHIP

APPLICATIONS FOR THE 2026–27 COHORT ARE OPEN.

The ABE Master Teacher Fellowship is a year-long professional experience for select ABE teachers. Up to 12 exceptional ABE teachers are recognized annually and supported via stipend to develop their own expertise and passion for teaching science.

Time Commitment: 6–10 hours per month

Stipend: \$2,000 USD

Application Deadline: 30 October 2026

WHICH ABE TEACHERS ARE ELIGIBLE?

- The teacher's ABE program site has been an active participant in ABE for at least 3 years.
- The teacher has implemented one or more ABE modules for at least 3 years. (Years do not need to be consecutive.)
- The teacher is committed to implementing the ABE biotech curriculum and are exemplary leaders within their learning community.
- (Encouraged) The teacher's perspective reflects the diversity of the communities they serve.

FELLOWSHIP BENEFITS

- International English-speaking peer community
- Opportunities to develop projects or programs of personal interest while having access to a global teacher community
- Paid travel opportunity to attend an in-person ABE Master Teacher Fellowship meeting, convening every ~3 years
